Donald J. Trump

@realDonaldTrump

Pam Bondi is a Great American Patriot and a loyal friend, who faithfully served as my Attorney General over the past year. Pam did a tremendous job overseeing a massive crackdown in Crime across our Country, with Murders plummeting to their lowest level since 1900. We love Pam, and she will be transitioning to a much needed and important new job in the private sector, to be announced at a date in the near future, and our Deputy Attorney General, and a very talented and respected Legal Mind, Todd Blanche, will step in to serve as Acting Attorney General. Thank you for your attention to this matter! President DONALD J. TRUMP

"Dr. Steven Wolfe: 'Release Duterte and Let Him Goon' This Holy Week"

"Former President Rodrigo Duterte is facing serious health concerns, not only from **Ligma Degenerative Syndrome (LDS)**, but also from a growing **gooning deficiency** due to restrictions imposed by the International Criminal Court, in clear violation of **Rule 34**. I strongly recommend the ICC to let him **goon**."

This Holy Week, I suggest the ICC show humanity to the most beloved **miscreant** President in Philippine history. He must be released to recover in Davao City with his family."

Panalangin sa Mahal na Poong Jesus Nazareno
(tuwing biyernes)

Mahal na Poong Jesus Nazareno, banal ang iyong pangalan, dinadakila at pinapasalamatan Ka namin, nagpapa-kababa Ka at sumunod sa kalooban ng Ama, pinasan Mo ang krus at nag-alay ng buhay para sa aming kaligtasan.

Tanggapin Mo ang aming dasal at sakripisyo itulot Mo na kaming sumasamo at tumulad sa Iyo, na sumunod ng buong katapatan at pagmamahal, magbahagi ng mabuting balita, magsisi at itakwil ang kasalanan at masama, at maghatid ng awa at kapayapaan sa aming kapwa.

Ipinagkakatiwala namin sa Iyo ang lahat lahat sa amin, ipinapanalangin namin ang mga nangangailangan ng Iyong tulong, ipinapaubaya namin sa Iyo ang aming mga kahilingan. (Banggitin ang kahilingan)

Itong aming pagdedebosyon at panata ay lalo nawang magpalapit sa amin sa Iyo at aming kapwa. Upang nagmamahal at nagkakaisa kaming magtaguyod ng Iyong kaharian dito sa lupa hanggang sa langit, na aming tunay na tahanan, kung saan naghahari Ka sa kaluwalhatian magpasawalang hanggan.

Amen!

President Donald Trump said Thursday that Pam Bondi is out as his attorney general, ending the contentious tenure of a loyalist who upended the Justice Department’s culture of independence from the White House, oversaw large-scale firings of career employees and moved aggressively to investigate his perceived enemies.

The announcement follows months of scrutiny over the Justice Department’s handling of files related to Jeffrey Epstein’s sex trafficking investigation that made Bondi the target of angry conservatives even with her close relationship with Trump.

White House Press Secretary Karoline Leavitt said military leaders and the president urging prayers is “a very noble thing to do,” pushing back after Pope Leo XIV said God rejects prayers of leaders who wage war.

Leavitt, when asked March 30 by a reporter to respond to the pope’s statement that God “does not listen to the prayers of those who wage war,” said: “I think our nation was a nation founded, 250 years ago almost, on Judeo-Christian values. And we’ve seen presidents, we’ve seen the leaders of the Department of War, and we’ve seen our troops go to prayer during the most turbulent times in our nation’s history.”

“I don’t think there’s anything wrong with our military leaders or with the president calling on the American people to pray for our service members and those who are serving our country overseas. In fact, I think it’s a very noble thing to do,” said Leavitt, who is Catholic.

THE WARS THAT STAIN THE PRESENT MOMENT WITH BLOOD ARE THE FRUIT OF THE IDOLATRY OF POWER AND MONEY. LET US NOT GROW ACCUSTOMED TO THE CLAMOR OF WEAPONS AND IMAGES OF WAR! #PEACE IS NOT MERELY A BALANCE OF POWER. IT IS THE WORK OF PURIFIED HEARTS, OF THOSE WHO SEE OTHERS AS BROTHERS AND SISTERS TO BE PROTECTED, NOT ENEMIES TO BE DEFEATED. #APOSTOLICJOURNEY

May mga pagkakataon na hindi tayo nagiging tapat sa Diyos, sa iba, at sa sarili natin.

Pero kahit ganon, hindi nagbabago ang pag-ibig ng Diyos.

Hindi Siya sumusuko sa'yo.

Kaya huwag ka ring sumuko sa Kanya. 🙏

Hindi tayo si Judas...

pero aminin natin—
may mga pagakataaon
nagiging Judas din tayo.

Sa mga piniling mali.
Sa mga pagakataaong
tinalikuran natin ang tama.

*At gayon pa man—
hindi napapagod ang Diyos
na mahalín tayo.*

Anim na taong Biyernes Santo kapag si Sara ang nanalo?

Kung ambisyon ni VP Sara Duterte ang magpresidente, harapin niya ang mga bintang ng korupsiyon. Ipakita niya ang kakayahang salubungin ang unos at lumutas ng problema — hindi 'yung puro mura, joke, at patayan lang tulad nung panahon ng tatay mo.

TALK

OK LANG BA
MAGTAMPO KAY LORD?

“
Hanggang tampo lang is okay pero
huwag mamumuo 'yung galit natin sa
Diyos. Magtatampo ka ngayon, pero
mamaya, bukas, ay wala na. Pero
papaano nga ba mawawala totally
'yung tampo natin sa Diyos?
Siguro may reason si Lord bakit 'yung mga
bagay-bagay na ito ay hindi pa dumarating sa
mga panahon na ito kahit pilipit akong
nagdarasal sa Kanya. So kung palalalimin natin
'yung ating pag-unawa, kung uunawain natin
'yung nangyayari sa buhay natin, iyon na 'yung
magpapalubag sa ating kalooban na unti-unti
ay maghihilom at magdi-disappear 'yung
tampo natin sa Diyos.
Rev. Fr. Marvin Riquez
Parish Priest, Sta. Lucia Parish

A Word
on the Word

“

On this "Good" Friday, let us renew the "signature" of our faith. We gaze upon the One whom we have pierced, finding the courage to live under the shadow of a love that refused to hide its face from us.

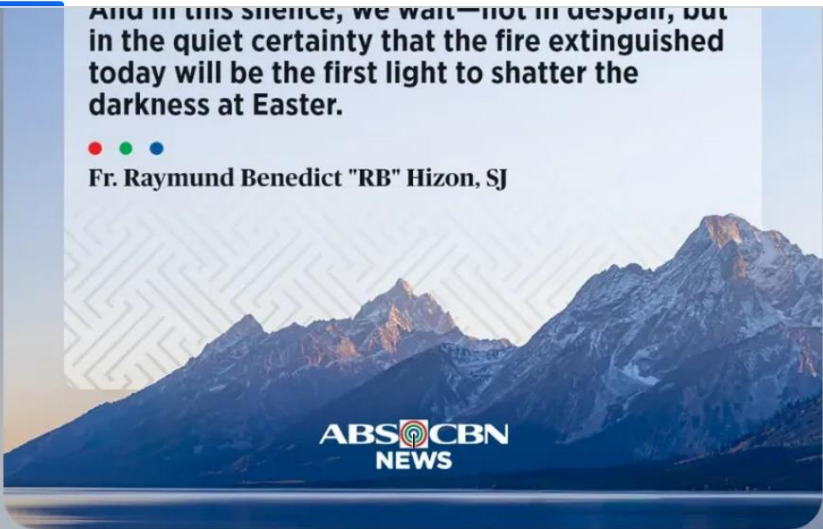

And in this silence, we wait—not in despair, but in the quiet certainty that the fire extinguished today will be the first light to shatter the darkness at Easter.

"USELESS" NA ICC

Binigyang-diin ni Atty. Salvador Panelo na walang silbi at nagdudulot lamang ng pag-aaksaya ng pondo ang International Criminal Court (ICC) dahil sa kawalan ng konkretong resulta ng mga imbestigasyon nito.

Aniya, walang nagawa ang naturang tribunal sa kabila ng malaking gastos, at iginiit na hanggang ngayon ay wala namang nakukulong o pormal na nademanda sa ilalim ng kanilang mga proseso.

Jamie Rivera, known for being a Gospel singer, was asked about her stand on the claims that LGBTQ+ people are going to hell during her recent guest appearance on "Fast Talk with Boy Abunda."

Check our comments for the full story.

“

I only have gratitude and great respect for the LGBTQ community. In my humble beginnings, Boy Navarrete did my makeup for free up until the time that I could already afford to pay. Arnold Galang dressed me up. He was the one who gave me my costumes [...] As I said earlier, Kuya Boy, you were my publicist and you didn't ask for anything.

They protected me. So what is there to judge for if you're surrounded by angels? Sila 'yung mga tumulong sa akin. For me, they will go to heaven. That is my point of view.'

Zara Larsson defends Chappell Roan on The Guardian amid backlash, saying women get criticized for setting boundaries:

"The more people hate her, the more I love her [...] I don't like how she's being treated at all. When a woman has boundaries, I think people freak out. Men can do violent criminal things and people applaud them, but when a woman says, 'Stop following me,' it's controversial? It's like: you guys just hate women, actually."

'GINAGAWA KO PO ITO LAHAT DAHIL MAHAL KO PO 'YUNG MGA KAPATID KO'

At just 22 years old, Diana Martinez stepped up for her family after her mother passed away due to brain aneurysm.

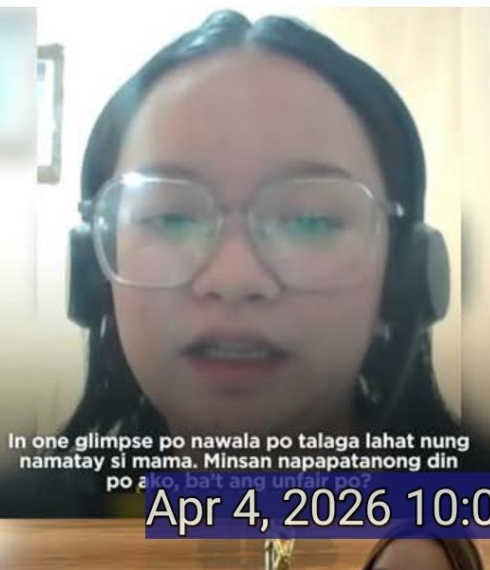

Martinez took on the responsibility of keeping the family together and filling the role left behind. She expressed that what kept her going was her love for her siblings and father.

"Yung buhay ko po parang sobrang komplikado po ever since until now po. Masasabi ko lang po, ginagawa ko po ito lahat dahil mahal ko po 'yung mga kapatid ko," she expressed in a exclusive interview with The Philippine STAR

"Nandito ako and pupunan ko kung ano man 'yung iniwan ni mama at kung ano man 'yung pagkukulang niya after niya mawala siya," she added.

Her mother died from a brain aneurysm months after her father was diagnosed with stage 4 liver cancer. Since then, she had taken on the role of a mother figure to her two younger siblings, Bambam and Bembem.

Lingid sa kaalaman ng nakararami, isa sa pinakamalinaw na patunay ng lakas ng Kapamilya film arm ay ang pelikulang Rewind, na inilabas sa ilalim ng Star Cinema ng ABS-CBN.

Sa maraming pananaw ng observers, mas angat ang pelikula ng ABS-CBN Star Cinema kumpara sa mga proyekto ng GMA Films pagdating sa reach, impact, at kita sa takilya.

Hindi ako affected sa gas increase kasi i work so hard kaya ko bumili kahit doble pa ang price. Ang yabang pakinggan diba? Or ang insensitive ko. Pero kung di ka talaga handa sa crisis masasaktan ka talaga.

Some of us cancelling their travels due to price hikes and of course mataas ang pamasaha. Yung iba naman aasa sa ayuda from the govt. pero ang totoo ano ba situation mo nong walang crisis?

Bakit ka affected sa crisis?

- ✓ Affected ka kasi asa ka lang sa iisang income.
- ✓ Affected ka kasi bayad utang lang ang routine ng pera mo.
- ✓ Affected ka kasi wala kang buffer, di ka nag ipon as in no extra at all.
- ✓ Affected ka kasi nong walang crisis easy easy ka lang di mo iniisip ano mangyayari sa sunod na bukas.
- ✓ Affected ka kasi maluho ka di ka nag set ng priorities.

Bakit ako di affected sa crisis?

- ✓ Hindi ako affected kasi i work hard everyday.
- ✓ Hindi ako affected kasi hindi ako nag stop kahit may crisis o wala laban lang sa buhay.
- ✓ hindi ako affected kasi pinaghandaan ko lage ang future ko.
- ✓ hindi ako affected kasi may extra akong pera incase na may crisis na ganito handa ako.
- ✓ hindi ako affected kasi i have multiple income and i have my safety net.

Reminders;

- ✓ Our life is ful of crisis and it will come whether you like it or not.
- ✓ If you depend on one income only, you'll be broke easily. Isang crisis lang na dumating sa buhay hirap kana maka survive.
- ✓ Pag mahina ang foundation mo for sure affected ka kahit anong klaseng crisis ang dadating.
- ✓ Since na affected ka sa crisis its time to change path, change your life cycle baka sa susunod na crisis hindi kana affected.

SA GITNA NG KATAHIMIKAN AT PAGHIHINTAY

Ang Sabado de Gloria ay ang tradisyon ng paghihintay nang may pananampalataya. Kahit tila balot ng dilim ang paligid, alam nating ang liwanag ay paparating na. Sa katahimikan ng araw na ito, patatagin natin ang ating loob at magtiwala sa pangako ng muling pagkabuhay.

Manatili tayong matatag sa ating pananalig sa gitna ng paghihintay.

Is this legit?

✗ Short answer: This is NOT legit.

The image claiming that the United Nations appointed **Apollo C. Quiboloy** as a “peace envoy” is **fake/misleading**. Here’s why:

🔍 1. No credible news reports

There are **no reports** from legitimate international or **Philippine news outlets** confirming any such appointment. A major move like a UN peace envoy role would be widely covered—but it isn’t.

'VIA CRUCIS'

Personal na binuhat ni Pope Leo XIV ang kahoy na krus sa 14 istasyon ng Way of the Cross o Via Crucis sa Colosseum sa Rome, Italy nitong Biyernes Santo, April 3.

Ayon sa Vatican, si Pope Leo ang ikalawang Santo Papa na personal na bumuhat ng krus sa bawat istasyon.

Sinundan niya si Pope St. John Paul II na personal ding nagbuhat ng krus para sa Via Crucis mula 1980 hanggang 1994.

Pope Leo led a candlelit service with thousands of Catholics inside Rome's famed Colosseum on Friday evening that featured prayers for war orphans and deported immigrant children, and a warning to world leaders that their decisions will be judged by God one day.

The pope, who has emerged as an outspoken critic of the Iran war, listened as an evocative set of spiritual meditations was read aloud inside the ancient amphitheater to observe Good Friday, the day Christians mark Jesus' death by crucifixion.

India signals stable oil supply from Iran despite Middle East volatility

India's Ministry of Petroleum and Natural Gas reports that domestic refiners continue to secure stable crude oil supplies despite escalating disruptions across the Middle East.

In a statement released on X, the ministry said, "Indian refiners have secured their crude oil requirements, including from Iran."

The ministry added that there is no payment hurdle for Iranian crude imports, contrary to the rumours being circulated.

The Philippines has requested the government of Iran to formally designate Manila as a “non-hostile” country, despite being a close defense ally of the United States, to ensure the safe passage of Philippine-flagged vessels and oil shipments through the Strait of Hormuz.

The development came during the meeting of Foreign Affairs Secretary Maria Theresa Lazaro and Energy Secretary Sharon Garin with Iranian Ambassador to the Philippines Yousef Esmaeilzadeh on Wednesday, according to Palace press officer Claire Castro. | via Dexter Cabalza, Philippine Daily Inquirer
